

Interdisciplinary Graduate Program in  
**Molecular & Cellular Biology**

*Fall 2013 Workshop & Seminar Series*

**"Exploring the Basis for Electrical Signaling  
Through an Expanded Genetic Code"**

**Christopher Ahern, Ph.D.**

**Associate Professor of Molecular Physiology & Biophysics  
University of Iowa**

***Molecular & Cellular Biology Faculty Candidate***

**"TRAF2 Phosphorylation Regulates the CD40  
Signaling Kinetics: Implications for Neoplastic  
B-cell Survival"**

**Lauren Workman**

**MCB Graduate Student  
University of Iowa**

***Please note  
special location!***

**Thursday, Sept. 12  
4:00-5:00 p.m., Aud. 2 BSB**
